Description

Snake River 7x16 Dump 3ft

To purchase the best dump trailer from the leader in the industry, you have to buy a Snake River. When you compare strength, durability and options, they're easily at the top of the heap! These trailers are well made, strong and will last many years. This Snake River 7x16 Dump 3ft (3ft sides) has tandem 7K pound axles (14/9.9K) with brakes on all wheels. The scissor lift style dump bed is another feature that provides the ultimate in lift strength. This trailer was made to load your Bobcat or excavator in the back, not a problem! Consequently, it has the necessary ramps and tie downs in the bed to load and tie them down. Even more features are included like a battery, slow charger and remote control. This unit is made to do it all, come see for yourself, you will not be disappointed!

Our customers say we're the best, click here and see why!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
