Description

Five Star 8.5x24 AP10K Hauler

[Five Star Trailers](#) has been designing and building trailers for over 20 years. Their knowledge and experience deliver engineering quality and durability to their products. As a result, they stand behind their trailers which is the reason we carry them! This Five Star 8.5x24 AP10K Hauler has tandem 5200Lb axles with brakes on all 4 wheels. Features also include drive over fenders specifically designed to hold up under weight as they are driven over. As a result, this trailer is perfect for your wide wheelbase dune-buggies, Jeeps, crawlers and more. Even more features are the eight d-rings, slide in ramps, 7K pound drop leg jack and a spare tire mount. Consequently, this is a very versatile trailer. Come and check this one out, you will be impressed!

Service, knowledge and selection, see what our customers [say about us](#)!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
