Description

Iron Panther 5x10 10K Dump4ft

[Quality Trailers with No Compromise - Iron Panther Trailers](#) owner has been designing and building trailers for over 20 years. His knowledge and experience provide engineering quality and durability for his products. As a result, he stands behind his products which is the reason we carry them! This Iron Panther 5x10 10K Dump4ft sides has tandem 5200Lb axles with brakes on all 4 wheels. Parking when un-hooked is safe with the 2K pound drop leg jack and a mounted spare provides safety for the road. Retractable tarp and stake pockets around the outer edge provide safety and the ability to add height to the sides. Further features are the hydraulic pump, deep cycle battery and trickle charger stored in a lockable toolbox. Plug it in during the night and you will be ready to work this dump trailer all day the following day.

This size is perfect for the user who has a small tow vehicle or someone who handles smaller jobs. Consequently, this dump trailer may be simple but is durable in strength and can handle years of work. For the price you can't go wrong with this dump trailer!

We stock over 200 trailers on the ground for you to choose from so try us out and [experience our excellent service!](#)

[Come see why our customers highly recommend us to their friends and family!](#)

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
