Description

Big 10 7x12 V-Nose D/D

[Big 10](#) Trailers are extremely well built and can handle rigorous cargo use. With upgraded 1/2" plywood on the walls and 3/4" for the painted floor, they're very durable!

This Big10 7x12 V-Nose D/D comes with rear ramp and side door all with heavy duty barlocks. Tandem 3,500LB axles with brakes on all wheels and mounted spare handle your mobility. A 2,000LB jack and 2-5/16 hitch ball coupler keep your trailer secure hooked or unhooked. 7FT interior height, 16-inch V-Nose, 16 inches on center roof, walls and floor continue the heavy use theme. Even more features are the one-piece aluminum roof, flow through vents and LED lighting. Finally, as a heavy use work trailer, they didn't forgo aesthetics. Consequently, there is polished diamond plate on the 24" gravel guard, lower edges and the polished fenders. Above all you just need to come and check this one out!

Come and see [why our customers give us 5-star ratings!](#)

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
