Description

Triple L Hydraulic Drop-Deck

This [Triple L](#) Hydraulic Drop-Deck trailer is one handy unit. First, the 12-foot hydraulic deck on this trailer lays on the ground flat. Allowing you to load forklifts, scissor lifts or other small equipment that is too low to load on a typical trailer. Second, with tandem 7K pound axles with 4-wheel electric brakes, you have the capacity and stopping power to handle your load. Third, its hydraulic bed lock security feature is strong enough to ensure your load is secure while traveling. Finally, with its versatility, impressive build quality and powder-coated paint, you will love this trailer!
