Description

Texas Bragg 12BP 14K

The [Texas Bragg](#) brand has been around for well over 30 years building high quality open style trailers. This [Texas Bragg 12BP 14K](#) (Big Pipe) trailer has tandem 7K pound axles and brakes on all 4 wheels. The spring assist foldup ramps are built heavy duty to handle your heavy equipment. No need to worry about unhooking this trailer when loaded because the 12K pound drop leg jack can handle the weight. Consequently, this trailer is made specifically to haul heavier equipment like Bobcats, small tractors and more. Above all you need to come and see this one for yourself, it's ready to go to work!

[Our customers](#) are important to us so come and experience the service and knowledge we provide!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
