Description

Snake River 20ft Deck Over

[Snake River Trailers](#) are very well known for their strength, durability and options. Most of this comes from using only quality materials and workers who provide quality building practices. This Snake River 20ft Deck Over is a prime example of those facts. With tandem 7,000LB axles (14/9.9K), brakes on all wheels this trailer will easily handle your equipment load. Features also include structurally well-built ramps that pull out for use and stow away when not. As a result, when loading or unloading equipment you can assure your ramps can handle the weight. Further features are present with heavy duty tie downs and drop leg jack and a toolbox on each side. If this is what you're in the market for, you will love how this trailer is built!

[Our customers love our service](#), see why you will too!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
