Description

Texas Bragg 7x12 Ramp

[Texas Bragg Trailers](#) has been building quality trailers for 39 years and they're quality of workmanship shows. They build almost every type of trailer from single axle utility to tandem dual hydraulic dump trailers. Extremely well built these trailers last! This Texas Bragg 7x12 Ramp has a 3K pound axle and is a perfect size to haul your Side by Sides, ATV's, M/C's or cargo. Furthermore, strength is everywhere including an extra support for the a-frame tongue. Finally, you will find a 2K pound drop leg jack, not a weak swing away jack. Our experience has been anyone who buys these are always very happy with them, so come and check it out!

[See why our customers continue to buy and refer their friends](#) to Golden West Trailer Sales!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
