Description

Five Star 7x12 Dump2ft
[Five Star Trailers](#) owner has been designing and building trailers for over 15 years. His knowledge and experience provide engineering quality and durability for his products. As a result, he stands behind his products which is the reason we carry them! This Five Star 7x12 Dump2ft sides has tandem 7000Lb axles (14/9.9K) with brakes on all 4 wheels. Standard features include retractable tarp, mounted spare tire and LED lighting.

The scissor lift style dump bed is another feature that provides the ultimate in lift strength. This trailer was made to load your Bobcat or excavator in the back, not a problem! Consequently, it has the necessary ramps and tie downs in the bed to load and tie them down. Even more features are included like a battery, slow charger and remote control. This unit is made to do it all, come see for yourself, you will not be disappointed!
