Description

Five Star Trailers has been making trailers for the utility and construction users for over 20 years. Well-built and designed to last, they are one of our best-selling manufacturers. This Five Star 6.5X12 single axle utility trailer has a 3500LB axle. Towing and unhooking are safe with the 2K pound swing down jack and a mounted spare provides safety for the road. Numerous tie downs located around the entire trailer provide many tie down options. Further features are the heavy-duty tailgate ramp and LED lighting all around.

This size is perfect for the user who has a small ATV or just wants to haul cargo. Consequently, when you purchase this utility trailer you will be happy with its size, ability and features. You will not be disappointed when you come down to take a look!

Come see why our customers highly recommend us to their friends and family!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
