Description

102 Ironworks Eliminator 20ft10K'C'

We are the first dealer to carry this west of the Mississippi and we feel lucky to be selling them. A well-made, beautiful, heavily optioned car hauler made by [102 Ironworks](#). As a result, if you're hauling your nicely restored or custom hot rod, this is the trailer you need! This 102 Ironworks Eliminator 20ft10K'C' is very easy to load with its tilt bed feature and an extremely sharp looking trailer. Equipped with tandem 5200 LB axles with brakes on all four wheels this will stop and haul easily. A 7K pound drop leg jack assures when unhooked and still loaded, you are safe. It comes further equipped with a driver side removeable fender and diamond plate aluminum tongue box and shield.

They add a split tail in the bed floor for ease of strapping down your vehicle which is a really helpful feature! Finally, lighting is one of this trailer's best features with LED all around including floor mounted loading lights. There's even more to this trailer so come by and take a look, you won't be disappointed!
