Description

TNT 4x6 SRD

[TNT](#) began with snowmobile trailers but years later make all sizes including this little gem. She's little but stout, because this is a well-built trailer. No side door on this TNT 4x6 SRD but the single rear door eases your loading chore. Finally, it has LED lights and tons of brightwork like polished diamond plate on the lower edge, rock guard and fenders. It has plenty of room and will look good doing it!
