Description

TNT 8.5x18 V-Nose 7K

[TNT by Mirage](#) is known as a well-built snowmobile trailer manufacturer. They branched out many years ago into all size and optioned trailers and consequently make a very nice product. First of all, this TNT 8.5x18 V-Nose 7K has tandem 3500LB axles and brakes on all wheels. Due to these features, you have plenty of capacity and stopping power. Furthermore, it's equipped with the car carrier package which includes a dovetail and dropped axles. This makes it much easier to load low vehicles. Finally, additional features include dome lights, wall mounted spare and tons of bright polished aluminum diamond plate. A compact enclosed vehicle or cargo hauler with many options, come see for yourself!
