## Description

### Snake River 7x14 Dump 2ft

To purchase the best dump trailer from the leader in the industry you have to buy a Snake River. [Snake River Trailers](#) are known for their unrivaled durability. This isn't by accident, they use 10 gauge and 12-gauge steel, and other top-quality products to build their dumps. Because they are well made, they last many years. Another feature is the scissor lift system they use for the dump beds. Consequently, it provides more than ample lifting power and longevity.

This Snake River 7x14 Dump 2ft has tandem 7K pound axles (14/9.9K) with brakes on all wheels providing the capacity and stopping power necessary. Abundant features include ramps with tie downs in the dump bed to load your Bobcat or excavator. Even more features include a battery, remote control and slow charger to keep your battery charged. As a result, this dump is made to do it all, come see for yourself, you will be impressed!
