Description

Snake River 8.5x25G/N 14K

Although known for their high-quality dump trailers they make quality equipment trailers too. This [Snake River 8.5x25G/N 14K](#) has 20FT of flat deck and 5FT of dovetail. Single wheels on 7K pound axles with brakes on all wheels and a Gooseneck, this trailer can handle the weight. Heavy duty All Ramps have 3 positions, down for loading, up for loads leaving the dovetail angle and flat to the trailer creating 25ft of flat deck. The last position creates room to back equipment over to equalize weight or create additional room for equipment storage.

Loaded with features it's also outfitted with rear stabilizer stands, heavy duty tie downs and toolboxes on sides and front. You certainly won't go without storage room or durability. Finally, there's a mounted spare and heavy duty drop leg jacks. If you are looking for a trailer like this, you're going to be impressed with this one!

See why [our customers say our service stands out](#) above the rest!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
