Description

Big10 6x12 V-Nose Ramp
[Big 10](#), made by C&B Quality Trailer Works, is an over built enclosed cargo trailer taking after their other products. Therefore, these trailers are perfect for the heavy use customer. Made with upgraded 1/2" plywood on the walls and 3/4" for the painted floor as standard features. This Big10 6x12 V-Nose Ramp comes with double rear doors and a side door all with heavy duty bar locks. A 3,000LB axle and mounted spare handle your mobility. 6FT interior height, 16-inch V-Nose, 16 inches on center roof, walls and floor continue the heavy use theme. Even more features are the one-piece aluminum roof, flow through vents and LED lighting. Finally, as a heavy use work trailer, they didn't forgo aesthetics. Consequently, there is polished diamond plate on the 24" gravel guard, lower edges and the Jeep style fenders!
