Description

Xpress Aluminum 7.5x18 7K UTV

[Xpress Trailers](#), manufactured by ALCOM, is one of the premier aluminum trailer companies in the United States. Aside from the weight savings an aluminum trailer provides, the construction, style and fit and finish is obvious when you see one. This Xpress 7.5x18 7K UTV has many standard features (see list below), including tandem 3500lb torsion electric brake axles in a spread axle design.

Features and options include a side door with a barlock for added security and for entry ease an aluminum pull out step. To secure your cargo, two rows of Slide-track with four sliding d-rings. Finally, with the elevated spare tire and mount you have coverage for flat tires, and it's stowed up and out of the way. Come check these trailers out, the quality is incredible!

See why our customers say they get the [better service](#) here at Golden West Trailer Sales!

Trailers may be shown with optional or discontinued equipment. Features, options, and packages are subject to change without notice.
