Description

Horizon 7x18 Tilt Equipment

To purchase the best trailer from a leader in the industry you're going to have to spend serious money. However, [Horizon Trailers](#) although a newer manufacturer, set out to build the highest quality trailers right from the start so you can save money. They started with large frame rails and supports and other top-quality products. Another feature is the cushion cylinder system they use for the tilt bed. Consequently, it provides more than ample tilting power and longevity. The lock system is also something done well making it very safe to operate. Because they are well made, they will last many years and not fail as easy as other manufactured tilts.

This Horizon 7x18 Tilt Equipment has tandem 7K pound axles (14/9.9K) with brakes on all wheels providing the capacity and stopping power necessary. Abundant features include 2' stationary section for loose equipment and a full 16' of tilt. This system makes loading and off-loading your Bobcat or excavator easy. As a result, this tilt equipment trailer is made durable and easy to use. And finally, they didn't forget about appearance, they powder coat their trailers providing the ultimate in durability and looks. Come see for yourself, you will be extremely impressed!
