## Description

### Snake River 7x10 Dump 3ft

It is well known that strength and durability of [Snake River Trailers](#) is their hallmark. As a result they are made with heavy duty gauge steel to handle the abuse of almost any load. It's important to feel comfortable when trailering with a load and these trailers do that. has tandem 5200 pound axles with brakes on all wheels.

This Snake River 7x10 Dump 3ft (3FT sides) has an abundance of features. The most noteworthy is the ability to haul your Bobcat or skid-steer. Loading your equipment and securement is also easy with heavy duty ramps and tie downs. Strength and durability to handle the weight of your equipment or load is handled by the scissor lift style dump bed. Safety is covered with a 7K drop leg jack and mounted spare. Finally, additional features include a battery, remote control and slow charger to keep your battery charged. Because this unit is made to do it all, you will not be disappointed!

[Our customers love our service, see why they do!](#)
